1. What is your or subject of this	connection or interest in the pending proceeding? (This	is case? * section mu	For example, a	are you a cust Attach addition	omer of the Company that is the al information if necessary.)

We are customers of the company.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We oppose ANY proposed rate hike by Tega Cay Water Service (TCWS). We have been dissatisfied with this utility for years and cannot support any rate increase. We believe we already are paying too much for our water and sewage - especially considering that we do not even drink from our water tap. Rather, we buy our drinking water. This is because our tap water smells and tastes bad. We cannot support any further rate increases, especially since we already had three rate hikes in the past 10-12 years that we believe TCWS did not deserve. How come when people do a bad job, they do not get paid, yet when TCWS does a bad job, they get a rate hike??? Please protect our interests and deny this rate increase.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

We oppose the rate hike. Hopefully this statement communicates our position sufficiently such that we do not have to speak.
